Medical Laboratory Technician

Deadline to have all materials turned into admissions:
March 15th, 2026

☐ **Step 1:** Apply to WCC

☐ **Step 2:** Request official transcripts from your high school and any colleges that you have attended. You do not need transcripts from any college in the VCCS. Transcripts can be sent to the addresses below:
Admissions Office
Wytheville Community College
1000 East Main Street
Wytheville, VA 24382
admissions@wcc.vccs.edu

☐ **Step 3:** Ensure you have met the program course and GPA requirements and prerequisites:

Biology	1 unit of high school or college biology with a "C" or better	
English	Readiness for ENG 111	
Math	Competency in MDE 60	
Chemistry	1 unit of high school or college chemistry with a "C" or better	
Minimum GPA	2.0 cumulative GPA	

*For specific requirements please refer to the health professions grid chart.

☐ **Step 4:** Prepare for and take the TEAS-AH test
WCC allows 3 testing attempts each year, but applicants must wait 30 days between each testing attempt.
To schedule a TEAS test, refer to the Health Professions webpage.

☐ **Step 5:** Request an application code and complete the Health Professions Application.
