

SMYTH COUNTY PUBLIC SCHOOLS (MARION SENIOR HIGH SCHOOL)
1+1+2 PATHWAY

Smyth County Public School students can complete the following courses at MSHS prior to graduation. By doing so, they will have completed one year of the A.S. in Education degree. Overall, MSHS students will have the opportunity to complete 38 of 63 degree credits as part of dual enrollment studies.

Students will be able to attend WCC following graduation and possibly utilize the Smyth Promise Foundation Scholarship (with qualification and completion of needed financial aid/Foundation requirements) for the final year of the respective degree. If attending full-time, students can complete their associate degree as a traditional student in one year. Students can then matriculate on to a four-year college/university for ultimate licensure and baccalaureate degree completion.

Course	Term Scheduled	Location	Delivery method	Credits	Faculty Provided by	Fulfill H.S. Requirement	H.S. Course Name
SDV 100	Spring	MSHS	Online	1	WCC	No	College Success Skills
