

Nursing

The two-year Associate of Applied Science Degree in Nursing at WCC prepares students for a successful career in nursing. The curriculum is designed to prepare selected students for eligibility to take the National Council Licensure Examination (NCLEX) and a future career as a registered nurse (RN) providing and coordinating care for patients in a variety of healthcare settings.

Comments:

*Part of the NLN (Nursing Licensure Compact) Compact Nursing States. Compact nursing states refer to the Nursing Licensure Compact (NLC), which is an agreement between states that allows nurses to have one compact state nursing license that gives them the ability to practice in other states that are part of the agreement.

** These states are not an NLN Compact Nursing State.
