POP into the TELL

Stressed?
Tips to destress!

Plan ahead so you don't miss future PD!

Top Story Headline

Canvas is coming! Are you ready? The TELL has you covered. WCC is getting ready for the migration to Canvas with 9 different topic specific to the new learning management software.

Can't make one of the 27 offered sessions? No worries! We will have them recorded using ZOOM and you can even jump on live!

Pop into the TELL

The Technology Enhanced Learning Lounge is open to students, faculty, and staff. Not sure what they offer? POP into the TELL to learn about Immersive Learning opportunities, collaborative workspace and much more! Plus, there will be a popcorn bar set up with multiple popcorn add-ons!

Can't make it out of your area? We have you covered. Call 223-4865 to get popcorn delivery and information on the TELL!

Are you taking care of yourself?

Did you know stress can effect your physical and mental health? On January 28th, a PD at Your Desk Delivery will help you learn ways to manage your stress.

The Upcoming!

February 15th, we will have a special guest from the State Council of Higher Education for Virginia to help with an Assignment Design Professional Development event for faculty. More information to come!

The PD Calendar is getting full! Don't forget to subscribe to our PD calendar on the PD website to keep up to date on all PD offerings! Have an idea for a professional development need? Click on the link to submit a topic.
